ignore you but I am pleased to let you know that we are working on a plan to have all of the trucks relocated from all residential areas and consolidate them on Wellington and Elgin starting Monday with the balance of trucks camping out of town and the truckers being shuttle bussed down to Wellington. We need every second that we have here to put things in place and get buyin from the truckers. I will let you

get buyin from the truckers. I will let you know our progress soon but please understand this is a decision of the leadership of the truckers, not just us lawyers. Please share this information on a need to know basis only at this time. Thank you

Thank you Keith. Let me know how that looks when you are ready to implement

For sure. We will have to carefully coordinate

For sure. We will have to carefully coordinate with Ottawa Police to ensure public safety. Thanks

Our priority right now is working with the leadership and helping them get the truckers on side

Thanks Keith

Good morning. When can we talk?

I am just helping to resolve some minor issues that are time sensitive and once I have that under control would be great if we can speak. I will probably need about 20 minutes to get

No problem, do you
want us to wait at the
Sheraton?

Pls call when you can

I know you are
extremely busy, so call
when you can. It's re
traffic plan.

I don't believe you have Police at the meeting for planning. I would suggest you have a traffic Sgt and PLT there to assist

Thanks for this. I'm following up right now

Thanks

FYI. The truckers want
to move 40 plus trucks
tomorrow starting in
the morning. They
have the room on

the truckers. They
have the room on
Wellington to fit.

I realize there are lots
of moving parts on the
police side that need
to be resolved
internally. I just wanted
you to be aware that
the truckers are still
prepared to honour
their commitment to
the mayor.

Thanks Keith, I will
pass on this message.

Are you ready to
implement an exit
strategy? This would
be good for both
sides. Please consider
this option.

Do you have an update
Keith?

Statement
condemning Pat King
is about to be released

Anything else?
